**Looks Like**

- Liquid (types include beer, wine, liquor)
- White crystalline powder, chips, or chunks with white rocks

**How It's Used/Abused**

- Alcohol is drunk
  - Swallowed
  - Swallowed
  - Inhaled through nose or mouth
  - Swallowed, injected, or snorted

**What Teens Have Heard**

- Makes a boring night fun
  - Keeps youamped up, you’ll be the life of the party
  - Causes a trippy high with various plateaus
  - Enhances the senses and you’ll love everyone
  - Full-on euphoria, but super risky

**Dangerous Because**

- Impairs reasoning, clouds judgment
- Long-term heavy drinking can lead to alcoholism and liver and heart disease

**Teen Usage (Grades 9-12)**

- In 1 in 2 teens drank alcohol in the last year
